Ukulele Song

C7

My Ukulele has a body
Frets, neck and a head
And a sound hole pushes air around
Strum the strings and shred

You can play a note a chord
Or even mute and chuck
Use your lightest touch to fret
Strum the strings and pluck

I said Aloha!
I could do this every day
I said Alohaaaa!
Strum the strings and play!

Row, Row, Row Your Boat

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily
Life is but a dream

Row, row, row your boat
Gently down the stream
If you see a crocodile
Don't forget to scream

Row, row, row your boat
Gently down the river
If you see a polar bear
Don't forget to shiver

Row, row, row your boat
Gently to the shore
If you see a lion
Don't forget to roar

Row, row, row your boat
Across the reservoir
If you see a pirate
Stop and say ooo-arrr

C

Row, row, row your boat
Gently down the creek
If you see a little mouse
Don't forget to squeak

Row, row, row your boat
In your bubble bath
If you see a spider there
Don't forget to laugh

Row, row, row your boat
Gently to the beach
If you see a dinosaur
Don't forget to screech

Row, row, row your boat
Gently up the brook
If you catch a little fish
Let it off the hook

Row, row, row your boat
Out into the bay
If you see a pirate ship
Sail the other way
